HSSC PET ADOPTION CONTRACT

I/We agree that if ever I/we find that I/we can no longer keep an animal adopted to us by the Humane Society of Snohomish County (HSSC), I/we will return it to the Humane Society of Snohomish County at 19933 Old Burn Road, Arlington, or someone will come from HSSC and pick the animal up.

In such cases as above, any fees paid for the dog will not be reimbursed. If I/We have this animal euthanized, taken to a shelter that euthanizes, used for research, or in any other way dispose of it, other than by a veterinary certified serious illness or accident, then \$3,000 is due and payable to the Humane Society of Snohomish County to be applied toward the saving of other animals.

I/We agree not to abuse the animal, tie it up, or confine the animal for extended periods, fail to provide food, water, shelter, and light, or any like situation(s). If any of these instances occur, or your check fails to clear the bank, I/we understand the Humane Society will enter my property and remove the animal from my premises and it will not be returned, nor will a refund be provided. I agree to their entering my property for such a purpose.

I/We hereby indemnify the Humane Society of Snohomish County and its employees, officers, and volunteers from any losses, damages, liabilities, and expenses which are incurred in connection with this animal, either on the shelter premises, at a foster home, or anywhere after it has been adopted by me/us.

I/We understand that any animal may bite, may not be housetrained or trained in other ways, may fight with other animals, and may damage property and belongings. I/We agree to closely supervise children around all animals.

I/We understand this dog is adopted to us as a companion and not as personal property.

I/We understand the statements and agree to the conditions in this contract.
